January's Coming Attractions

Thursdays	10	<i>When Christians Get it Wrong</i> : Many young adults have opted out of Christianity. With his familiar style, Adam Hamilton addresses how Christians get it right when being Christ in the world. Those who read <i>When Christians Get It Wrong</i> gain a new understanding of the issues that keep people away from Christianity and keep Christians from living a more compelling faith.
Fri, Jan 7	7:45–3	<i>PHFC Workday</i> : We meet in the Home Depot lot behind Jim 'N Nicks at 7:45 AM, drive to the Home and return at ~3. Contact George Fritsma .
Sun, Jan 9 & continuing	9:30	<i>Loving Our Kids on Purpose</i> : What if parenting wasn't about control but about freedom? And what if the key to true heart connection in family relationships rested on equipping our children to enjoy and manage that God-given freedom? Danny Silk , dubbed by Pastor Bill Johnson an "architect of relationships," offers a new strategy of freedom-focused parenting that will smash old religious mindsets and pave the way for new Kingdom paradigms, releasing you and your family into a new degree of joy. <i>Loving Our Kids on Purpose</i> is a must-read resource not just for parents, but anyone seeking God's best in their relationships.
