Thursdays	10	<p><i>When Christians Get it Wrong</i>: More and more young adults have opted out of Christianity. With his familiar style, Adam Hamilton addresses the hows and whys of Christians getting it right when being Christ in the world. Those who read <i>When Christians Get It Wrong</i> gain a new way of understanding the issues that keep people away from Christianity and keep Christians from living a more compelling faith.</p>
Sun, Jan 9 & continuing	9:30	<p><i>Loving Our Kids on Purpose</i>: What if parenting wasn't about control but about freedom? And what if the key to true heart connection in family relationships rested on equipping our children to enjoy and manage that God-given freedom? Danny Silk, dubbed by Pastor Bill Johnson an "architect of relationships," offers a new strategy of freedom-focused parenting that will smash old religious mindsets and pave the way for new Kingdom paradigms, releasing you and your family into a new degree of joy. <i>Loving Our Kids on Purpose</i> is a must-read resource not just for parents, but anyone seeking God's best in their relationships.</p>
