CAHABA SPRINGS

WEEK OF NOVEMBER 6

WELCOME TO OUR

## CSPC Weekly Update

*we're so glad you're here!*

### STEWARDSHIP MOMENT

Thank you to everyone who responded to our Stewardship Campaign by returning your pledge sheet. Your pledge of time, talents, and money helps CSPC continue to feed our flock by supporting worship, educational, and fellowship activities. Just take a look at our calendar for the week to see a listing of all of the offerings we are able to provide due to your support. **It isn't too late to return your pledge for 2024.** If you need a pledge sheet sent to you, let the office know. Thank you for your support!

*Stewardship is ministry!*

### pastor's corner

I can't believe that we are already into the month of November, the last quarter of 2023. Thank you to everyone that helped make the special services that were held in October a success. I hope you saw the pictures from Blessing of the Animals and Kirkin of the Tartans in the November newsletter. It is my hope that these two services will become annual events.

In the U.S.A., we celebrate Thanksgiving on the 4th Thursday of November. There have been articles written and research studies performed on how the practice of thanksgiving or of being grateful can improve our mental health. I invite you to join me in practicing gratefulness during the entire month of November, not just on one day. I plan to start today by telling you, the people of Cahaba Springs, how grateful I am for all of you.

Peace, deNay
