Summary of This Promise is For You and Your Children  
Acts 2:39; Genesis 17:6-7  
Wayne Shelton

As we baptize some of our little ones this Sunday, we will rejoice in the glorious, good news of the gospel. For the simple truth is that baptism always brings us back to the gospel, the good news, the stupendous news that the Christian faith proclaims that God himself, the Creator of all is a powerful, indeed, Sovereign King and a perfect Judge who saves sinners like us. Baptism portrays this for us.
