Frank & Lorraine Parry – The Lord has given us many opportunities to share the gospel and distribute gospel tracts in English and in Spanish. We have a burden to do more in our Hispanic outreach. One matter that has been of concern to Frank is his hearing problem. To make a long story short, the VA contacted Community Care, and on March 16 Frank was given a hearing test by Audiology Associates and hopes to have a hearing aid soon. We thank the Lord for the strength and grace that He gives to continue in the ministry.
