Arlene Blood – The Lord is so good to bless in all the classes that I teach here at Primrose retirement center. They are so well attended, but there is still room for more. As of late, I take another lady with me to some of the apartments where people are depressed or not feeling well and we sing, play a song, read some Scripture together, or take a daily devotional to leave with them. They all seem grateful for the time spent together. This is a good time to talk to them about the Lord as everyone here will soon be standing before the Lord to give an account for their life. This is a real mission field. Please continue to pray for these people as they will all be in eternity shortly.
