Troy & Oksana Manning - We thank the Lord for enabling us to be part of a Bible society that produces reliable Bible translations for people around the world so they can understand His will and grow in discernment. But may the Lord keep us from having a proud and argumentative spirit as we hold to the fundamentals of the faith! Recently, Oksana has been having severe pain in her neck and arm. Among the translators, various translators have been dealing with serious health issues, including one of the Muslim Tat NT translators, who is very close to going to her heavenly home. We need your prayers for these significant health issues! Pray also for gospel peace and an end to conflict and unrest in Haiti, Iran, Myanmar, and Ukraine.
